FROM THE MAYORS DESK

Hello

Wow, March is upon us and soon we'll have beautiful weather again. With beautiful weather comes the local children out playing and riding their bikes so be extra careful please.

I've been notified of a few things happening in town that I need to address. First, the residents on Lakota Lane have made a request that we don't use their road for walking, skateboarding or driving on. They are an association and pay for snow removal and repairs. The street is also narrow and their children play on it. So please, unless you live on Lakota Lane or are visiting someone, be courteous and use cities routes.

Second, I have concerns about garbage blowing around, especially around the school area. I have asked the city office to notify all developers in the area to make an extra effort to secure dumpsters, and for citizens to please make sure garbage lids close.

Mark your calendars that Lincoln cleanup is on June 11th. We are in need of volunteers. Contact the city office if you are interested.

The Shriners Parade is scheduled for June 11th as well. I look forward to seeing everyone out and about. There will also be many activities happening in Lincoln Park. If you or someone you know would like to set up a booth or help volunteer, our next meeting is at Lincoln City Hall on March 7th at 6pm.

Thank you
Gerarld L Wise

Pet Licenses

Don't forget that ANY pets 6 months or older need to be licensed annually. Spayed/neutered is \$5.00, and non-spayed/unneutered is \$10.00. Please also bring in a copy of your pet's updated rabies vaccinations.

CONTRACTORS/DEVELOPERS

With spring approaching, the snow is melting and the winds are blowing. Please have your construction debris picked up and contained so as not to have it strewn over the city and other person's property and yards.

Please remember to contact the city office if you are starting/stopping utility service, replacement or addition of a garbage container or if there is a street light out. Thank you.
