COUNCIL CORNER

In July, we will be celebrating Lincoln's 40th birthday as a city. Activities being planned include a parade, street dance, and vendors. More information should be available next month.

A book may be put together if we can get enough pictures and information on activities from the last 40 years. These activities can be city or family events, kids playing, etc. Anyone having pictures can submit them, with information including names, approximate year and description of event, to the city office with your name and address so we can return the original photo back to you.

In other news, 2 charity permits were approved: Lincoln Elementary PTO and Fire & Iron Motorcycle Club. Recycling was discussed.

Stay Safe - Watch for Deer
May God bless all of America
