

CITY OF LINCOLN
COUNCIL MEETING
April 9, 2015

The regular meeting of the Lincoln city council was called to order by Mayor Robert Johnston at 7:00pm, at the Lincoln Community Center, 74 Santee Road, Lincoln, ND. Other members present: Urlacher, Zainhofsky, Daly and Fischer

Approval of minutes for March 5, 2015

--1st motion-Urlacher- to approve minutes

--2nd motion- Fischer

All members present approved and motion carried,
Jonathan Aman

Water issues on Stanley and Santee on the road and the water that keeps going into his yard. He wants to know when the issue is going to be taken care of. Erv Fischer stated that he does have a plan for the fixing of the road and water. Mr. Aman stated the neighborhood does not want to pay the specials. Mayor said the city will pay for it. . No cost on the plan yet will do the research for bids.

Motion to do the work .

--1st motion- Fischer

--2nd motion- Daly

All members present approved the motion carried.

KIJ “ Lot 1, Block 1, Mauch Subdivision-Variance Modification”

P and Z denied a variance request last fall, and the board approved it. Mr Krogstad stated the the Mach property wants to move the driveway 17ft to the east. Fischer motioned the modification of the driveway from 85’ to 102’, East of Paintball Way for a 50’ driveway.

--1st motion-Fischer

--2nd motion –Zainhofsky

All members present approved the motion carried.

Clerk of Courts

Needing of another person that can do Clerk of Courts. Discussion, no action
Portfolios

Urlacher-MS4 will done next week. Blocks are up for the sand. City Crew is getting streets ready for Spring and Summer.

Fischer- Water issue, drain tiles with the pipes from Stanley and Santee, and through the Millianam Park. A Mr Fischer showed showed a plan to help with the draining to get the draining issue taken care of, We will see if the county will coordianate with us on the project earlier instead of 2016. Mr Fischer showed a plan to help with the draining.

City of Lincoln Engineer Brad Krogstad also went through and explained a similar solution to help with the draining that had been discussed at one time. Urlacher liked the idea on how to take of the drainage issue with what Mr Fischer showed and explained. No costs were given, will get bids.

Urlacher made a motion to clean up south Lincoln.

--2nd motion Erv Fischer

All members present approved the motion carried.

Urlacher made a motion for the City of Lincoln attorney to wrote up a letter for Cenex to hook up to our lift station.

--2nd motion Erv Fischer

All members present approve the motion to carried.

24 hour coverage in the Police Department.

Fischer is questioning the 24 hr coverage , and stating that we do not need coverage between the hours of 2 am and 6am. Saying Burleigh County can help with the coverage at the time. That usage of one of the officers can be a Resource officer at the school to interact with the children during the day. If a Resource officer would be needed we would have to hire out for one. Amend funding.

Amend funding for hiring a new police officer for the school.

--1st motion-Urlacher

--2nd motion Zainhofsky

All members present approved the motion carried.

Fischer-aye, Daly- aye, Zainhofsky-aye, Urlacher-aye

Zainhofsky- Banyon training available in Minneapolis for 200.00 a day plus expenses. Daly stated that there is a free training in June coming up, and there is other training that is needed besides just the Banyon training.

Fischer brought up the Engineer/building accessor. 5 Applications have been turned in and 2 Engineer firms requiring about the position. There is a clause in the Century Code that the city engineer has a set salary for the year. The council would like to review all the activity of the engineer monthly, so they know where the money is being spent. An itemized billing. City attorney will draw up a engineering budget.

Motion that all activity of the city engineer needs to be approved by the council.

All members present approved the motion carried.
