

Tree Planting Permit

Required for boulevard tree planting only

This permit is required prior to planting any boulevard tree within the City of Lincoln right-of-way. Please fill out the form and submit it **prior** to planting any trees in the right-of-way. When the form is received, our forestry department (Tree Board) will conduct an on-site inspection and issue the permit to plant in the right-of-way. For any additional information please call (701) 258-7969 or email us at: treeboard@cityoflincolnnd.com.

Species Selection: _____

ND One Call is required before any planting can take place. Please call 800-795-0555 or 811 for utility locates.

The person to whom this permit is issued agrees to do the work according to the terms of this permit and the applicable provisions of the City of Lincoln Code of Ordinances, and agrees to be personally and directly responsible for all damages to persons or property arising or growing out of the planting hereby permitted and authorized to be done, and agrees to identify and hold the City of Lincoln harmless from any loss, claim damages, or expense arising there from. Said person further agrees to replace, to the satisfaction of the Tree Board, all disturbances to the boulevard created by work authorized under this permit.

Please review the city planting standards below:

1. All boulevard trees must be a minimum size of 1 inch diameter.
2. Only trees listed on the permit can be planted in the right of way.
3. Trees must be planted a minimum of 12 feet from a driveway or alleyway.
4. Trees must be planted a minimum of 40 feet from an intersection.
5. Trees must be planted at least 20 feet apart from other trees.
6. All boulevard trees must be a single stem trunk.
7. All trees must be 5' from the curb face
